HOWDY, FELLOW PONY

Welcome, fellow pony – may your pulls be ever 20% cooler.

Fantasy Wonderland is the first full booster set in Kayou's English MLP TCG. **191 cards** across **13 rarity tiers**, with Shining (✧) variants layered over Colorful, Gold, Ruby, Emerald, and Sapphire. This booklet is built for one job: getting you from sealed box to full harmony binder – and maybe making you giggle along the way.

“If you’d have told Twilight that ponies would one day be printed in foil on collector cardstock, she’d have organized a symposium about it.”

HARMONY MATH

The Shining Ruby tier is the whole friendship quest.

1 in 32 boxes. 6 cards to collect. Evenly distributed, that's **~192 BOXES** to pull the full *RR lineup from packs alone.

Translation: *trade, friend, and prowl the singles market.*

Pull rates are a promise, not a prayer. (Okay – a little of both.)

*RR SHINING RUBY

Case-level chase. Alternate painterly art – colored pencil, oil paint, and a literal rainbow foil treatment. One per 640 packs. One per 32 boxes. *The ones Rainbow Dash would brag about for weeks.*

*BP01-RR06
Rarity

"Velvet-lined display, not a bulk binder."

*BP01-RR05
Rainbow Dash

20% cooler than it has any right to be.

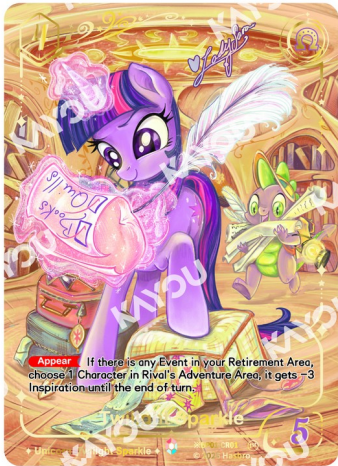

*BP01-RR03
Pinkie Pie

Cake. Confetti. Cannon launch.

✧ CR SHINING COLORFUL

Enhanced foil + reimagined palettes. Two art styles across twelve cards (CR01–06 and CR07–12). 1 per 160 packs, 1 per 8 boxes. *What happens when Pinkie gets ahold of the print press.*

✧ BP01-CR01
Twilight Sparkle

Stained-glass palette. Studied magic, made fabulous.

✧ BP01-CR04
Applejack

art.

✧ BP01-CR06
Rarity

More sparkle, more posing. Yes ma'am.

THE OTHER GRAILS

Three more Shining tiers round out the full harmony binder. You won't find images here – but you'll still want every last one of them tucked into your sleeves.

※ GR • SHINING GOLD RARE**6 cards • 1 per 20 packs • 1 per box**

Reimagined pastoral art, iridescent rainbow borders, lenticular shift, and artist signatures on every card.

Shining Gold Rares are the grails – the cards Rarity would demand be displayed 'just so.'

※ ER • SHINING EMERALD RARE**12 cards • 1 per box • SD01 numbering**

Six iconic Ponyville scenes – each printed twice with alternate holo treatments (variants a/b). Same landmark, different shimmer.

Scene cards: because even Ponyville looks good at golden hour.

※ SPR • SHINING SAPPHIRE RARE**11 cards • 1 per 80 packs • 1 per 4 boxes**

Premium event & item variants pulled from the 28-card SPR line. Laser-etched details and glitter silk-screening.

Events & items – the friendship-problem-of-the-week, in foil.

THE HARMONY CHECKLIST

FIELD NOTES

WHERE THE SET GATES

Three tiers decide how long the full harmony binder takes: ✦SPR (1 per 4 boxes, 11 cards), ✦CR (1 per 8 boxes, 12 cards), and ✦RR (1 per 32 boxes, 6 cards). The ✦RR tier is the real gate – source at least a few via trade or singles rather than pack luck.

CONDITION TIPS FOR GRADED SETS

Kayou's factory finish scuffs easily at pack level. For graded masters: toploader straight out of the pack, avoid backing-card contact, and baby the corners. CGC Cards China is Kayou's official grading partner; PSA is the English-market standard.

WHAT'S NEXT

BP01 is the first full English booster. Chinese-market follow-ups (BP04 adds a new TK token card type) are already out – expect English releases to track. Moon Edition 2 is also live and eligible for the **Chase the Magic** sweepstakes through May 31, 2026.

READING THE PRINT CODES

Every card in Fantasy Wonderland carries a print code that tells you where it came from and what kind of card you're holding. Learn the shorthand and the whole set starts to read like a map.

BP01 = Booster Pack 01 (Fantasy Wonderland). The main set – all 100 cards per box live under this code.

SD01 = Starter Deck 01. ER and ✨ER cards use SD01 numbering despite living in BP01 booster boxes. Yes, really.

✨ = Shining variant. Alternate art, enhanced foil, and significantly lower pull rates than the base rarity.

Example: ✨BP01-RR06 reads as *Shining · Booster Pack 01 · Ruby Rare #6* – the cover card of this booklet.
